

Lindfield **Community Bank**[®] Project

The facts about your indicative Pledge of Support

Completing an indicative Pledge of Support means you intend to purchase shares in the local Company formed to operate the proposed Lindfield **Community Bank**[®] Branch.

These funds will be used for the ongoing operations of the Lindfield **Community Bank**[®] Branch. A cross section of the community - including residents, traders and business people - will be required to pledge between \$500 and \$10,000 each.

It is important to note that a Pledge of Support is not a legally binding document and is not an investment in a Bendigo Bank account or Bendigo Bank shares.

Once an adequate number of people have pledged their support, an independent adviser will be appointed to conduct a feasibility study. The results of this study will provide an indication of the expected business growth of our branch.

Money is not required as soon as you make your indicative Pledge of Support. Information about your investment and the **Community Bank**[®] branch proposal will be distributed to you via a prospectus.

It is important that you read and consider the information contained within the Prospectus when it is distributed. At this stage you will be required to fill out an application form to purchase shares in our community company.

Your local Community Company will make all decisions regarding the application of any money that you invest. Bendigo Bank accepts no responsibility for the actions of the committee.
